
About the founders

Shannon and Gayle Oxford have owned and lived on their small ranch just east of Lodi for 30 years. They raised two daughters and are blessed with nine grand children. They both have a lifetime of experience with horses, dogs and livestock. They raised, trained and shown Appaloosa horses in the 1970's and 1980's. After retiring from the show arena, the family used their horses for wilderness trail riding & camping. In the early 80's together with the family they started breeding, training and showing Australian Shepherds and Border Collies. Both Shannon & Gayle are herding dog judges and their kennel has earned Hall of Fame Status. Their love of teaching has taken them around the world to share their knowledge.

Yet there has been another calling for the Oxfords. Their love of children and horses along with their love of teaching and sharing their passion has lead them to a decision to open their ranch to children and families who yearn to experience the relationship with one of God's most unique and beautiful animal - The Horse.

The program is it's second year. Our prayer is that it will continue to be successful and will grow with the support of our local community, friends and donors.

What we are about

Having fun with horses! The ranch is a small ranch, but it has a warm family atmosphere. Kids of all ages and their families are encouraged to come and learn about horses, from grooming and care to basic horsemanship along with ranch activities and chores. Weekly sessions are available or come for a one-time experience. Shannon and Gayle Oxford instruct along with volunteer friends and family. We have picnic areas and a campfire gathering area. We will be planning special Bar-B-Qs and events for fund raising and for our program awareness. We hope to reach out to schools and community to offer our program to kids of all ages.

“Our Mission is to give a special child, a special experience, a time and place to remember”
With the use of equine & ranch activities along with family participation & support, It is our goal to help children of all ages & backgrounds to build trust, confidence & character. Encouraging each child to challenge themselves in ways that will develop them into caring & responsible adults.

Who can benefit?

Anyone! Children and families who have not had the opportunity to experience the country and ranch life. School & Church Groups for field trips. Parents that are considering a horse for their child, and want to know what the responsibility is in owning a horse. And, especially children or youths at risk, abused or troubled kids. A positive experience with a horse can build a child's confidence and trust. We do have a minimum age, at least 7 years old to participate. **Again, there is no charge or fees.** The time a child and family spend with a horse in a quite ranch atmosphere is priceless.

Our horses benefit also, some come from situations of neglect and they love the attention!

When can you come?

- 🐾 We offer weekday and Saturday sessions. Fields trips, spring & Fall.
- 🐾 You must call for an interview and to schedule a visit.
- 🐾 As we have a limited number of horses at this time, visits are limited to once a week sessions per child/family.
- 🐾 We are seasonal. During the winter and summer months we hold sessions “weather permitting”
